

# Winter 2021

# Planning as a Profession

## URBDP 480/SLN 21540

## Friday 12:00 Noon to 1:20 PM

Meet and interact with professional planners from the public, private, and non-profit sectors. Hear firsthand about the experiences of post graduation, current projects, and lessons learned in the process. Learn about skills needed for each representative field of planning while exploring possible careers paths.
