Reflect on the past 6 months, what went well?

Inclusion in discussions

Transparency in the process and the evolving vision

Having a voice

Attendance at CBE meetings

Successful partnership with City of Bellevue

More open communication

Community involvement

Students

Increased, effective collaboration

Reflect on the past 6 months, what went well?

Good food

Collaborative meaning-making at the college level

Great communication and involvement with advisory boards.

Listening, learning, structure, more of a goal to work toward

I really enjoy the brief faculty updates at all-hands meetings.

learning more about groups across the college

transition to new dean went well

Openness of the dialogues

Greater student interest noted, optimism about strategic planning, more centralized intention.

Reflect on the past 6 months, what went well?

Having all college members in the same room (staff, faculty & students) was great

Positive attitude towards the creation of a strategic plan

All college meetings where everyone could be involved

Outreach to regional orgs

Recognition of the potential for CBE to make more positive impact

Reorg opens up possibility for change. Deferred/delayed changes are STARTING to be discussed.

Focus on inclusivity

Willingness to participate and collaborate

successful event with foster

Reflect on the past 6 months, what went well?

Increased communication

Planning for future direction;
streamlining tasks

Study abroad and studio
opportunities.

Accessibility to the process;
feeling that staff are welcome and
viewpoints are valued.

increasing our admission numbers
in trying times

Strong staff support from other
staff

Focus on equity

Listening

Training student writers, editors,
and graphic designers

Reflect on the past 6 months, what went well?

Tamales!

Focus on equity and inclusion

.Org mapping

Communication with other units in the college

Keeping salaries apace with cost of living

A need for more grant support capacity

Align actual job responsibilities with job description/compensation

transparency of CBE email for external questions

Reflect on the past 6 months, what could have been better?

Identifying a time line for ideas

Some early efforts started strong but have been neglected.

Maintaining consistent momentum with new projects/ideas

Not enough resources or proper structure to advance goals and mission.

Pay equity.

.Org mapping

Scheduling? More advanced notice re: meetings?

better timing of Dean's Dialogue meetings

Timeline for sure...

Reflect on the past 6 months, what could have been better?

Finding creative ways to engage groups of students

Greater transparency, understanding of org mapping process

more staff or increased FTE would always be better

More career development opportunities.

Identifying end time for this initial collaboration. When do the changes end?

Feel that sometimes changes are made too quickly without enough information.

Other ways to communicate instead of EMAILING (i.e. students not reading)

Follow up on the information requested from staff regarding job descriptions (org chart)

Pay inequity

Reflect on the past 6 months, what could have been better?

Updates on action items from various meetings.
Updated org chart of Dean's Office. Shared CBE Dean's Office timeline

A need for more grant support/capacity

Interdisciplinary studio coordination across departments

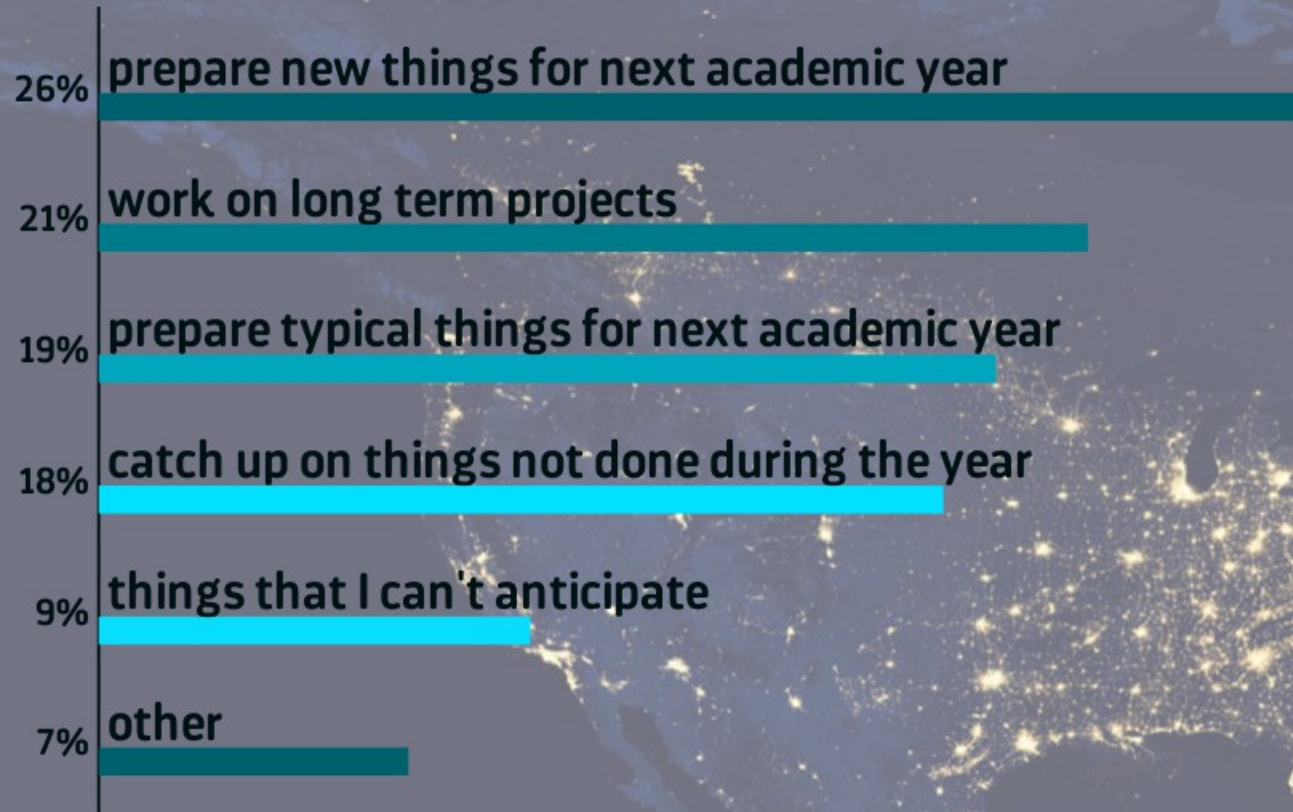

Recognition of what is working well in CBE

Please discourage Dept. Chairs from teaching 2 studios in 1 quarter ;)

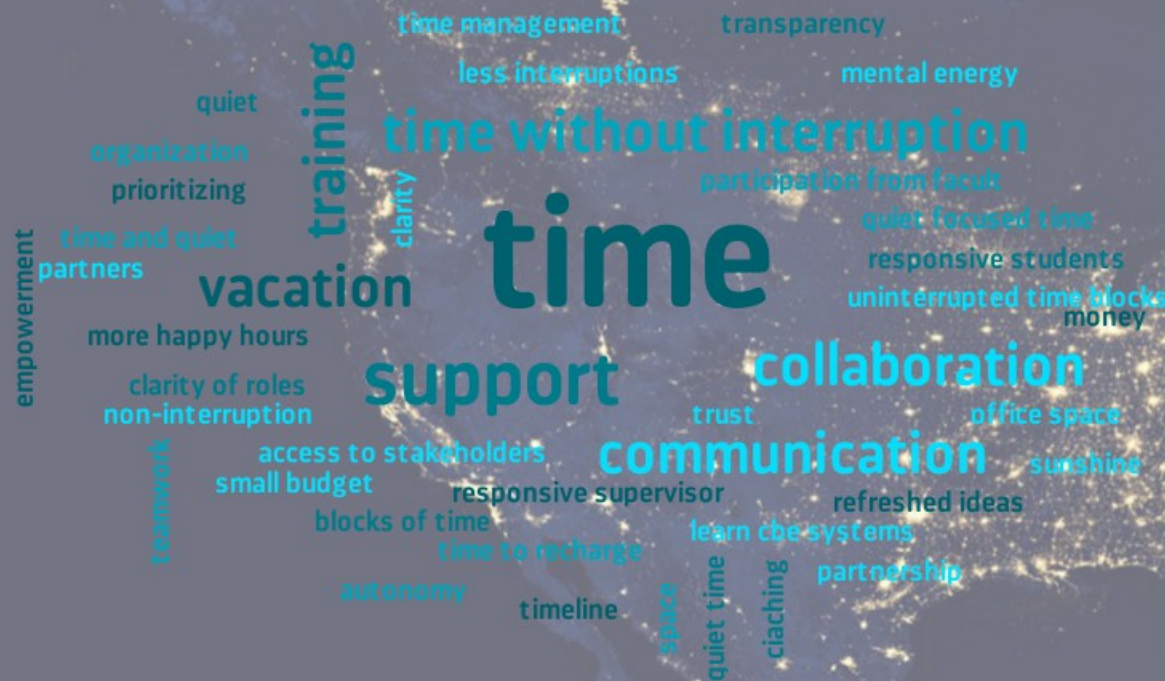

Website needs work

Time Schedule; Statistics for several reports; credit checks; updating documents; stream line processes; bush fires, etc
