

POSITION: DESIGN STAFF

ABOUT BBT ARCHITECTS:

BBT is a collective of individuals who listen, relate, and implement. With a purpose and passion to bring thoughtful, healthy buildings to life, we are both community members and community makers – at home in Bend and building beyond.

ABOUT THE POSITION:

We have an opening for an enthusiastic and technically savvy Design Staff who is passionate about design and takes ownership of design concept development. The ability to communicate and collaborate with the project team and adjust to changing project requirements is critical. The position requires 1-5 years of experience in an architecture firm.

K-12, higher education, and/or TI experience is a plus.

RESPONSIBILITIES:

- Opportunities to participate in early design stages on interesting design problems and projects
- Work with team to envision the concept story, project narrative and graphics for concept and design development presentations
- Responsible for production of design documents, presentation and/or construction documents
- Develop design from sketches, layouts and details
- Responsible for production of 3D renderings and physical models
- Perform field surveys and verification and assist with construction administration

SKILLS:

- Required: Advanced modeling, drafting, and technical skills in Revit
- Proficient: Sketch-up, Photoshop, AutoCAD, and Microsoft Office Suite with openness to learn new software
- Ability to take initiative in response to direction or instruction
- Can multitask and with ability to efficiently work across several projects and initiatives
- Ability to work under pressure, meet deadlines and budget time with a positive demeanor
- Excellent communication skills (verbal, written, and visual)
- Knowledge of detailing and construction methods
- Experience on large commercial and institutional projects is a plus

EXPERIENCE & QUALIFICATIONS:

- Bachelor's or Master's degree in Architecture
- 1-5 years of experience in an architecture firm
- LEED accreditation or WELL AP is a plus

WHAT WE OFFER:

Our culture is team oriented and collaborative. We value hardworking people who are fun to work with and who have a positive impact on those around them. We offer a competitive salary commensurate with experience. Benefit package includes health, vision, dental, short-term disability insurance, long-term disability insurance, life insurance, optional cafeteria plan, and a retirement plan with company contributions.
