

SKETCHUP SKILLS? WE NEED YOU.

Help build the Youth Achievement Center, a housing and service facility for systems involved youth on Sound Transit Property.

What?

The Youth Achievement Center is a building by and for youth who are system involved. **Please consider helping teach a SketchUp learning session so they can meaningfully engage in the design the building.**

Who?

The community partners involved are:
Creative Justice,
Community
Passageways, and
Africatown Community
Land Trust.

When?

Two, 2 hour, sessions
on weekends in
February and March.
Feel free to commit to
one session or several
sessions.
