CBE CHRONICLES SERIES

5:00 - 6:30 PM

REGISTER FOR THE CBE CHRONICLES SERIES HERE:
<https://events.uw.edu/d/hjqxrh/>

This Earth Day panel will explore the origin of the **Urban Studio (US)** work, identify the catalyst for the organization, discuss the strong commitments to uplifting the lived experiences of historically excluded communities, and strive toward a design ethic that seeks authentic engagement. The Urban Studio looks at co-design + co-creation as the strongest way to advocate toward equitable and sustainable urbanism.

#CBEchronicles
