Erik Frandsen, partner of Copenhagen-based Lundgaard & Tranberg Architects, is the 2021 Scan|Design Foundation Distinguished Visiting Professor in University of Washington's College of Built Environments. This program is co-organized by the National Nordic Museum and the University of Washington's College of Built Environments and sponsored by the Scan Design Foundation.

The National Nordic Museum requires that all participants be vaccinated against COVID-19. Proof of vaccination may include CDC Vaccination Card (or photo), documentation from a health care provider, or state immunization system record.
