

PLANNING STUDIO

SPRING 2022

CEP 498 | SLN 11944 | Gould Hall 416

A panoramic view of the Seattle skyline, featuring the prominent Space Needle in the center. The city is filled with various skyscrapers and buildings, some with construction cranes visible. The sky is a clear, light blue.

**Monday & Wednesday
3:30-5:20PM**

Work on professional projects related to Urban Design, Zoning, Land Use, Subarea Planning, Transportation, Economic Development, Affordable Housing, and Environmental Protection.
No Add Code Required. Non Majors Welcome.
