### Architecture Internships in Copenhagen JANUARY - JUNE 2023

With funding from the Scan|Design Foundation, the Architecture Internship Program has established six-month internships with three award-winning architecture firms in Copenhagen - COBE Architects, Dorte Mandrup A/S and EFFEKT Architects. Scan|Design interns will receive a standard Danish internship stipend of about \$1000/month, a supplemental living allowance of \$1500/month and \$1400 travel allowance.

University of Washington students who are currently enrolled in Arch 505 studio, Arch 508 studio or Arch 700 thesis may apply.
