### Who We Are

The Brotherhood Initiative (BI) is a cohort-based initiative that aims to foster an inclusive community for Black, Latino, Native, Pacific Islander and Southeast Asian men. We work to empower you for a lifetime of leadership, scholarship and service. As a part of the BI, you will have access to a wide range of programs and resources throughout your time at the UW, including:

- First- and second-year seminars
- Individualized support and advising
  - BI peer mentors
  - Events and workshops
- Career and professional development
- Social and community building activities
