

WELCOME INCOMING FACULTY!

The CBE onboarding/orientation sessions are spread over the Fall semester to include key elements and topics that were thoughtfully created to help new faculty have a productive start in our new role at UW CBE.

The schedule includes multiple stages beginning in the fall with both informational sessions and engagement sessions. We encourage you to attend as many sessions as your schedule permits. Look for future details regarding onboarding Phase II that will begin in the Winter. The sessions will include monthly informal mentorship sessions.

Please know that HR is here to support your transition at CBE and wish you a fulfilling career.
